**The Brigham Young Center Foundation**  
Sandy, Utah

Chairman of the Board and Trustee  
2017 — present

The Foundation is a nonprofit organization organized to make available all the known papers of Brigham Young. This includes the creation of an online edition of the Brigham Young papers and to facilitate scholarly work exploring his life and his world. The Foundation both engages in and seeks to promote scholarship that advances these two goals. The ethos of the Foundation is one of collaboration and teamwork. While authors will often have their individual work products, many publications associated with the Foundation will be collaborative efforts. Moreover, it is expected that those associated with the Foundation share a commitment to the broad goals of the Foundation, including gathering the financial, intellectual, and historical resources necessary support this work. See [www.brighamyoungcenter.org](http://www.brighamyoungcenter.org).

Publications:           *The Brigham Young Journals, Vol. 1, April 1832 to February 1846* (Religious Studies Center, Brigham Young University, and Deseret Book Company, 2023).
