

BYU LAW SCHOOL

SUMMER 2021 PROGRAM FOR INCOMING 1Ls

PREPARE FOR A WORLD-CLASS LEGAL EDUCATION UNLIKE ANY OTHER

To ensure that you are ready to immerse yourself in the incredible education offered at BYU Law School, we have created a rich and diverse summer program to prepare you for an unforgettable first year.

PREPARE TO ENGAGE

yPods

During the summer, you will be assigned to a yPod—a small group of first-year students, each supervised by a high-performing 2L/3L student known as a “Student Advisor” who will act as a mentor and guide throughout your first year. He or she will serve as a valuable source of support, information, and connection. In addition, your yPod will provide the first opportunity to meet and begin to forge relationships with your classmates, preparing all of you to engage with each other and your professors starting on the first day of class.

PREPARE TO EXCEL

Summer Academic Development Workshops (June – August)

We offer one of the most robust summer preparatory programs in the country: five one-hour workshops that will provide you with the most critical information and skills needed to begin law school with confidence and to excel during your first year.

PREPARE TO EMBARK

Introduction to Law (August 18-20, 2021)

Introduction to Law will introduce you to the Law School’s inspiring Leadership Initiative, convey our expectations with regard to your professional education, and foster a community where every student feels valued, respected, and included as you embark on your law school journey.

An Incredible First-Year Experience

Your first year of law school will be filled with opportunities for learning and growth. From world-class faculty, to internationally-renowned guest speakers, to the drafting of your first appellate brief and presentation of your first oral argument, to a community that cares about each student as an individual, you are about to embark on the adventure of a lifetime as you join the remarkable legacy that is BYU Law School.
